The tenth annual **Foothills Empty Bowl Event** to honor World Hunger Day will be held at the **Carefree Town Center** on Friday, October 22, from 11:00 a.m. to 1:30 p.m.

Lunch prepared by **Carefree Resort & Villas** will be served in hand made ceramic or glass bowls. For a minimum donation of \$15, guests can select their own unique bowl, made by members and friends of the **Sonoran Arts League**, and keep it as a lasting reminder of world hunger.

All proceeds from the lunch are donated to the **Foothills Food Bank & Resource Center**, and will support their ongoing effort to provide emergency food and services to area families in need of assistance.
